Parking Instructions

Ramada Inn & Convention Center
November 16 & 17, 2007

Thank you for participating in the Holidayze Arts Festival - back in Downtown Eau Claire. Please display Holidayze Arts Festival parking card in your front window on the driver's side for load in. The card contains your booth number and our volunteers will use it to help you take your wares to your space.

Here are our parking instructions and map for you to review; we hope to make it easy for you to find a safe spot for your vehicle. When you arrive on Friday, please unload your vehicle quickly and move it to the designated parking areas.

We have contacted the Eau Claire City Parking Department and have gotten permission to park vehicles in the designated lots (especially lot #7 the Schlegelmilch-Mc Daniel Lot). In this lot you don't have to be in a single parking stall.....you can park in an orderly manner overlapping the lines. The Schlegelmilch-Mc Daniel Lot is within view of the Convention Center only two blocks down Farwell.

Please park in the designated municipal lot so that you are leaving prime on-street spaces for the customers!

Most downtown city parking restrictions go off at 6:00 P.M. on Friday for the rest of the weekend. However, don't leave your vehicle parked on downtown streets between 2:00 A.M. to 6:00 A.M. as you will be ticketed by the city police.

HOWEVER, YOU ARE NOT ALLOWED TO PARK IN DESIGNATED NO PARKING ZONES OR HANDICAP PARKING AREAS SINCE YOU WOULD BE SUBJECT OF POSSIBLE FINES.

Parking Lots:

LOT NEXT TO CONVENTION CENTER: Do NOT leave your vehicle parked in this lot since this should be available for customers. You will be given a door and time period to use to unload your merchandise. Please use these instructions to help streamline the number of vendors unloading at any given time.

LOT 3 – Railroad St. Lot: Please park in the south half of this lot closest to the river bank. Do not park in the half of the lot closest to the businesses since they will be open all weekend and need room for their customers.

LOT 4 – Haymarket Lot: Park anywhere in this lot, but on Friday, do not park in the single row next to the building where #4 is located since these businesses will probably have employees working until 5:00 P.M.

LOT 5 – Riverside Deck: This lot is NOT available until after 5:00 P.M. on Friday which will not be a good spot for you. However, the upper deck is available on Saturday, but, if you have heavy vehicle unit, don't use this lot. *(If your vehicle & trailer weigh four tons or more, don't park here.)*

Parking Instructions - Continued

November 19 & 20, 2004

LOT 7 – Schlegelmilch-Mc Daniel Lot: This is a large lot with lots of parking available. The rows closest to Dewey Street are double rows for easy access. This is the preferred vendor parking lot as Eau Claire Police will increase the number of times they pass by the lot to make sure vehicles and trailers are secure.

LOT 8 – Farwell Street Lot: This is a small lot that won't be available until after 6:00 P.M. on Friday which will not be a good spot for you. However, this lot is available on Saturday.

LOT 15 – Riverview Lot: This lot is NOT available until after 6:00 P.M. on Friday which will not be a good spot for you.

On Street Parking: Parking on the downtown streets is available, but, they normally only allow **two hour** parking until Friday at 6:00 P.M. when the parking restrictions expire for the weekend.

Convention Center Parking Ramp: The parking ramp should be used by our customers for parking. The city charges for parking up until 3:00 P.M. on Friday. After 3:00 P.M. on Friday, we have reserved the parking ramp for our event and **FREE PARKING** is available in the **parking ramp** for the rest of the weekend.

If you have any further questions about parking, please ask us.

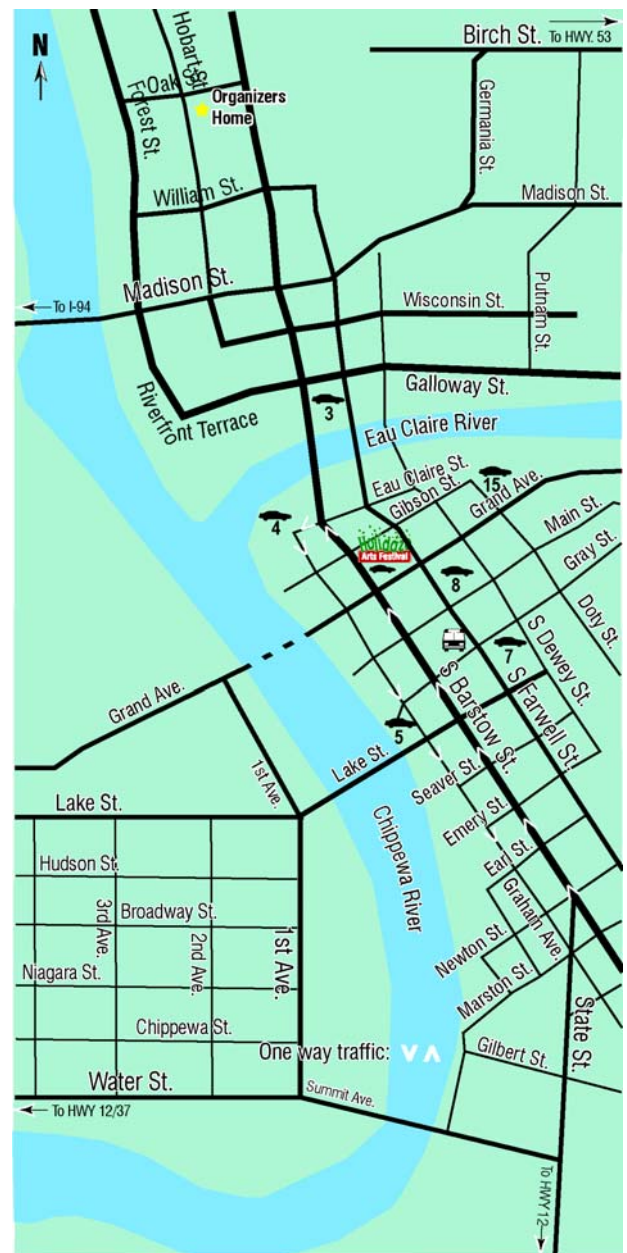

Thank you!
